The Stinger Attachments CG-XD Grapple is a "Beast of a Grapple". This grapple is designed for extreme duty applications for high horsepower machines. It is the perfect fit for commercial or heavy use applications. This grapple utilizes AR200 steel to be extremely tough and durable at a lighter weight. This grapple features the proven independent dual grapple design with a massive 60' opening that allows the operator to get a solid clamp on uneven loads to maximize efficiency. If you can pick it up, this grapple can handle it!
