

# MATERIAL BUCKETS

At Stinger Attachments, we build high-quality skid steer material buckets to fit any size skid steer loader, utility tractor, wheel loader, or compact tractor. No matter what job faces you, our material buckets will last. We also understand that one type of material bucket doesn't work for everyone, so we offer four different series of buckets. All of our buckets come standard with a **2 Year** Warranty.

## **SERIES - 1:**

The Stinger Attachments Series 1 Material Bucket features our standard height and depth. This bucket is a great fit for utility tractors and small to medium frame skid steers

with the strength to be used in larger machines as well. The standard height design allows for excellent visibility of the cutting edge from most cabs. The Series 1 bucket is a great all-purpose bucket provides added strength and aids in easy cleanout.

## **FEATURES:**

- 3/16" Grade 50 Shell (1/4" Optional)
- Top Reinforcement Tube
- 1/4" Sides
- 1/2" x 4" Underside Wear Bars
- Safety Step
- Rolled Insert for Strength and Cleanout
- Height 20" / Depth 30"

## **SIZES:**

■ 60" ■ 66" ■ 72" ■ 78" ■ 84" ■ 88"

**PROPER BLAST REQUIRED**

## SERIES - 2:

The Stinger Attachments Series 2 Material Bucket features our standard height with a deep bottom. This bucket is engineered to provide maximum capacity with a standard back height.

The standard height design allows for excellent visibility of the cutting edge from most cabs. This bucket is a great fit for utility tractors and medium to large frame skid steers.

### FEATURES:

- 3/16" Grade 50 Shell (1/4" Optional)
- Top Reinforcement Tube
- 1/4" Sides
- 1/2" x 4" Underside Wear Bars
- Safety Step
- Rolled Insert for Strength and Cleanout
- Height 20" / Depth 36"

### SIZES:

■ 60" ■ 66" ■ 72" ■ 78" ■ 84" ■ 88"

**PROPER BLAST REQUIRED**

## SERIES - 3:

The Stinger Attachments Series 3 Material Bucket is a step up in capacity from our Series 2 with the taller height and longer depth. This allows the operator to move more total product in

one load. This bucket is a great fit for larger skid steers, utility tractors, and compact payloaders.

### FEATURES:

- 3/16" Grade 50 Shell (1/4" Optional)
- Top Reinforcement Tube
- 1/4" Sides
- 1/2" x 4" Underside Wear Bars
- Safety Step
- Rolled Insert for Strength and Cleanout
- Height 23" / Depth 39"

### SIZES:

■ 60" ■ 66" ■ 72" ■ 78" ■ 84" ■ 88"

**PROPER BLAST REQUIRED**

## SERIES - 4:

The Stinger Attachments Series 4 Material Bucket is a step up in capacity from our Series 3 with a taller height. Series 4 also comes standard with a 1/4" shell. This is a high capacity bucket that is extremely

durable and a great fit for large skid steers, utility tractors and medium sized payloaders.

### FEATURES:

- 1/4" Grade 50 Shell
- 3/16" Grade 50 Shell (1/4" Optional)
- Top Reinforcement Tube
- 1/4" Sides
- 1/2" x 4" Underside Wear Bars
- Safety Step
- Rolled Insert for Strength and Cleanout
- Height 27" / Depth 40"

### SIZES:

■ 60" ■ 66" ■ 72" ■ 78" ■ 84" ■ 88"

**PROPER BLAST REQUIRED**
